

	Implementation	Formative Assessment	Summative Assessment
Online Synchronised <i>Following our existing curriculum narrative</i>	Same resources for all classes but individual teachers will deliver the live lessons as per the timetable.	AfL ie regular 'hierarchical' questioning and feedback throughout the lesson.	Summative assessments will be uploaded on Teams. Students will email teachers who will give detailed feedback in line with assessment feedback sheets.
Online Asynchronised <i>Following our existing curriculum narrative</i>	Tasks from online synchronised lessons will be uploaded.	Feedback will be given individually, where appropriate, by email (as per lockdown). G4S rewards will be used regularly/consistently. Using Teams chat for general feedback.	Summative assessments will be uploaded on Teams. Students will email teachers who will give detailed feedback in line with assessment feedback sheets.
Paper based Asynchronised <i>Following our existing curriculum narrative</i>	Tasks from online synchronised lessons will be adapted and research materials created/found to match the learning experiences of online learners. Dept scanning suitable resources to meet the needs of paper-based learners.	Feedback will be given individually, where appropriate, by email for those students who have limited access. G4S rewards will be used regularly/consistently.	Paper copies sent home. When returned, marked and G4S data drop for feedback.
