

OLD BUCKENHAM  
HIGH SCHOOL

*Be the best we can be*

12<sup>th</sup> March 2021

Dear Parents and Carers

After a full week at school I thought it important to update you on several matters. Firstly, I would like to thank you for your support with getting our students ready for school. The uniform, behaviour and attendance has been very good and it has been a real pleasure seeing our school full again with young people.

#### Lateral Flow Tests

Mr Dwight and his team have all but completed the in-school testing of students which means there will be very little disruption from Monday onwards. According to the government guidelines, students will be asked to undertake a twice weekly test at home. Student home testing kits will be available for parents to collect from the school's main reception between the hours of 09:30 and 14:30 from Monday 15<sup>th</sup> March. The expectation would be for students to be tested at home during the evening of Wednesday and Sunday. Full instructions are included in the box and should be followed carefully, including what to do if your child's test is positive. If you are unable to collect a kit please contact the school to arrange a suitable alternative.

Yours sincerely,

Mr A Fell  
Headteacher
