

OLD BUCKENHAM
HIGH SCHOOL

Be the best we can be

14th May 2021

Dear Parents and Carers

As you will have seen, as from Monday 17th May students will not have to wear face coverings in classrooms. However, students will still need to wear face coverings in communal areas and on school transport. This means that students will need to wear face coverings in the Senior/Maths Block, Student Reception, the canteen and on all of our buses including minibuses.

It is important to note that all other Covid protection measures will remain in place which include:

- encouraging twice weekly lateral flow testing at home
- hand sanitising on entry/exit in classrooms
- maintaining social distancing where possible
- one-way system and year bubbles still in use

I have written to you before about how impressed I have been with our students in how they have adapted to these changes and I am sure this will continue as thankfully, restriction measures are eased. Please contact the school if you require any further clarification.

Yours sincerely,

Mr A Fell
Headteacher
