Measles:

If you think your child is suffering from Measles, please refer to the following guidance and information.

[Measles - NHS \(www.nhs.uk\)](http://www.nhs.uk)

[What to do if you think your child has measles and when to keep them off school - The Education Hub \(blog.gov.uk\)](http://blog.gov.uk)

Chewing Gum:

Chewing gum is not permitted on the school site. This matter is made worse when students spit their gum onto the ground.

If students are seen to be chewing gum, they will be asked to spit it into a bin. If they refuse or are seen again, they will be given a detention.

Water Bottles:

Please could students be reminded to bring in a water bottle especially on the days they have PE as we are increasingly being asked to provide students with a cup as they have forgotten their bottle.

Saturday, 23rd March 2024.

John Innes Centre, Norwich, NR4 7UH.

Family Voice Norfolk will be celebrating its 12th Annual Conference for parents and carers of children who have special educational needs and /or disabilities (SEND).

The **free** conference will be back with the following highlights:

Keynote Speaker.

Information stands.

6 Workshops/Presentations.

Face-to-face "Speed-Dating" (individual) sessions with service professionals and voluntary organisations.

Free refreshments, lunch and on-site parking.

Please note that the conference is designed to give parents and carers access to information and workshops around subjects relating to SEND. We are **unable to offer activities for children** and so would suggest that you bring any fidget toys, books, simple activities, iPads etc. that your child or young person might need. The conference centre is likely to be very busy and can become noisy, but we will have a quiet room available for anyone who needs to use that. **Your children and young people will need to stay with you at all times.**

Please click [here](#) to book your place.

If you haven't been to the conference before, please visit [here](#) for more information.

Any questions or enquiries about the conference, please [email](#).

WORKSHOPS WORKSHOPS WORKSHOPS

CREATIVE INDUSTRIES

What is the creative industries? What jobs are available? What are the benefits of working in this exciting industry? These are all things we discuss in this workshop. Year 11/10 students can get to know the wide range of careers available to them from Esports commentator to Music producer and the routes into these careers.

FREELANCING

Students can learn about what it means to be freelance or self-employed and how to build a great portfolio. This informative session introduces year 11/10 students to the world of freelance (a career path many in the creative industries choose to pursue) and gets them to start to thinking about how their passions can become a career.

GAMES JAM

A fun and interactive session where students can design and try marketing their own video game. Suitable for year 9, 10, and 11. Students will learn about the gaming industry and what it takes to create their own game.
